

CHILDREN AND YOUTH RENOVATION PROJECT “BELIEVE IN ME” SHOPPING NETWORK – GIFT REGISTRY

Gift Registry Process and Instructions

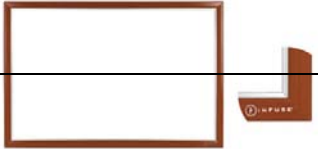

Thank you for choosing to use the gift registry purchase process to support the Children and Youth Renovation Project. Any member who purchases an item or items that are valued at \$100 or more will get an acknowledgement sticker placed on the “Wall of Support.” Provided below are the process steps you should take to ensure that your purchase is received and your gift purchase is recorded in your membership records:

1. Please review the gift registry to determine the item you want to purchase for the project. You can use any vendor you choose as long as the description of the item matches the description, model number and serial number given in this document.
2. After you decide on your purchase, please send an email to boone.bettye@theblvd.org or call (272-5650) to let Bettye Boone know you plan to purchase an item from the registry. **VERY IMPORTANT:** Please include in your email/phone call the following information about the item or items you plan to purchase:
 - Registry ID #
 - Quantity
 - Cost of each item

Note: After Bettye Boone receives your email, she will update the registry by reducing the number of items needed for that gift item.

3. Purchase the item or items you selected by either going online to shop for the item or visiting the local store where the item is located.
4. After you purchase the item, please bring it to the church or have it delivered to the church. If it is being delivered, please contact Bettye Boone and Charles Dickerson (Dickerson.charles@theblvd.org) by email and telephone to let them know the date and probably time of delivery so appropriate steps can be taken to receive the item and to give you credit for the purchase.
5. The telephone numbers for Bettye Boone and Charles Dickerson are as follows: Bettye Boone – 901.272.5650; Charles Dickerson – 901.272.5633.
6. After your purchase has been received and recorded, your membership record will be updated to reflect your gift to the project.
7. If your purchase is valued at \$100 or more, an acknowledgement sticker will be placed on the project’s temporary “Wall of Support.”
